Privacy Policy

In order to provide you with care in our facility, you have provided personal information about yourself, some of which may be nonpublic in nature. We have a high regard for the privacy of our patients and want you to know how we handle your personal information. The following contains a description of the types of information we collect about you, and how the information is used and protected. This privacy statement describes our privacy practices for both our current and/or former patients.

Types and Sources of Information We Collect About You

We collect information about you, including nonpublic personal information, from the following sources:

Information we receive from you on your case history form, as well as other forms related to your patient files.

Information about your transactions with us, which may include your payments and payment history.

Information we receive from your current and former physicians.

Information we receive in reference to your current medical insurance policies.

Our Use of the Information That We Collect About You

We use the information we collect about you, including the nonpublic, personal information, only for the purposes of evaluating, effecting and administering, enforcing, and servicing your care with our facility. We do not disclose any non-public personal information about your to any non-affiliated third parties, except as provided by law. **We do not forward or otherwise share your information with anyone without prior written consent from you, the patient.**

Protection of Your Information

We restrict access to the nonpublic information about you to only necessary employees, unless requested from the patients themselves. Our facility has adopted an information security program that includes administrative, technical, and physical safeguards to protect the security and integrity of your nonpublic information.
